### HISTORY

The Fraternal Order of Eagles was founded in Seattle, Washington in 1898, by six competitive theater owners who gathered to solve a common problem. Having solved their problem, their competitiveness changed to camaraderie and eventually gave birth to the Fraternal Order of Eagles.

### A FEW OF OUR ACCOMPLISHMENTS

#### Mother’s Day

During an Eagles Memorial Service in 1904, Frank E. Hering’s keynote address is recognized as the “First Public Plea” for a day to honor mothers. It was through the Eagles that the concept for Mother’s Day first spread across the country.

#### Social Security

When President Franklin Roosevelt signed the Social Security Act in 1935, he presented the pen to the Eagles for our “vision and courage” in making it happen.

#### Jobs After 40

When President Lyndon B. Johnson signed this bill that ended age discrimination in the work place, he presented the pen to the Eagles and said “The Eagles started this whole idea.”

#### Medicare

When President Johnson signed the bill he presented the pen to the Eagles and said “For your energetic and dedicated espousal of social justices... and the compassionate treatment of the sick and disabled.”
